The Youth Opera gives young talents a taste of music theater in all its facets. In less than two weeks, youngsters create an professional opera from scratch. For the edition 'A.L.I.C.E' inspiration was sought in Lewis Carrolls' 'Alice in Wonderland' and 'Through the Looking-Glass'. Alice's adventures are the journey for a singer or musician to the deepest depths of sound and music, the scenes of a strange dream and a purifying experiment.

WE ARE LOOKING FOR MUSICAL TALENTS

With open spirit and fierce motivation
A need for the Ridiculous and a craving for Beauty
Einsturzende Barokleute und Minimalistische Sirenen
Whispering Songwriters and Bulging Bombardon
Musical Kittens and Industrial Ravens
Worshipped Musicians and Absolute Beginners
And last but not least
Fun Loving Criminals and Mischievous Maidens...

PREPARATION FOR THE AUDITION

Presentation of a self-written or existing song or composition
inspired by or freely representing the world of Alice.

Instruments can be modern, pop, baroque, flutes, strings, winds,
recorders, electronics... Composers are welcome too.

These songs, together with the compositions written and played by An Pierlé, will be the starting point of the creation of a new music theatre performance of the Youth Opera 2020, A.L.I.C.E.
